

## Wagner Noël Performing Arts Center Security:

The Wagner Noël Performing Arts Center, as part of SMG policy, has implemented new security measures for all ticketed events effective 6/6/17. Please read through the attached list of prohibited items to help ensure that your next visit to the venue goes smoothly. The one measure we would like patrons to pay close attention to is that all bags will be checked prior to entry and no large bags or backpacks will be allowed. Traditional diaper bags will be allowed but will still be subject to a bag check. Patrons should arrive one hour prior to all performances to ensure that checks can be completed and the performance can begin on time. We appreciate your understanding and your cooperation.
